

## **Practical Considerations of ‘Stress Testing’ for Cybersecurity & Privacy: How the ‘Dominoes’ Might Fall (Are Falling?) on U.S. & UK/EU Hedge Funds, PE’s & Other Asset Managers**

*November 7, 2014*

*Speaker(s): Kyle Krpata, Barry Fishley, Paul Ferrillo*

Kyle Krpata, Barry Fishley, and Paul Ferrillo will present during a cybersecurity & privacy webcast hosted by the Cross-Border Group that will focus on practical considerations for financial firms to prepare for potential regulatory and reputational risk exposure through on-site SEC/OCIE examinations/FCA inspections on cybersecurity & privacy internal controls and other safeguards. The panel will also discuss “best practices” for dealing with these business-risk areas.
