

Diversity Fellowship For 2L Law School Students

One of the qualities distinguishing Weil from our peers is our culture. Diversity, equity and inclusion (DEI) have been core values since our founding. Frank Weil, Sylvan Gotshal, and Horace Manges established the Firm to open doors that were previously closed to them because of their religious beliefs. For decades, Weil has been an outspoken leader in empowering and engendering an inclusive culture. Today, the diversity of our attorneys, paralegals and staff is one of our greatest strengths. We created the Weil 2L Diversity Fellowship Program to welcome the next generation of diverse attorneys who want to pursue careers at Weil.

The Weil 2L Diversity Fellowship is available to students who are enrolled in an ABA-accredited law school and intend to practice law in a major city of the United States in which Weil has an office. Eligible students must have successfully completed their first year of a full-time JD program, with an expected graduation date of spring 2022, and may not be the recipient of a similar scholarship award from another law firm.

Weil will be accepting applications from potential Fellowship candidates beginning **November 1, 2020** via the online application link. An internal selection panel will evaluate all applications, considering such factors as overall commitment to diversity, work experience and academic achievement. Finalists will also be interviewed for the Fellowship after applications are submitted. The winner(s) will be announced in the spring 2021.

Weil is offering a progressive 2L Diversity Fellowship up to \$30,000. Weil 2L Diversity Fellows will receive a gift of \$15,000 non-renewable scholarship for their third year of the law school (2021-2022). The scholarship is contingent upon accepting an offer of summer employment at Weil. Weil 2L Diversity Fellows will receive the balance of \$15,000 scholarship gift upon accepting a full-time associate offer with Weil after the completion of their 2L summer.

The Weil 2L Diversity Scholars Program application will be available to apply online at careers.weil.com for students interested in applying for the 2L Fellowship on November 1, 2020. The application process is open to all law school students who fulfill the fellowship's eligibility requirements.
